# Assessment Workgroups

**2025 - 26**

**Looking for time to connect with other teachers in your content area? Want to streamline your assessment practices and work smarter—not harder? Join the VaSCL Assessment Workgroup and collaborate, innovate, and elevate your practice.**

### Who we are

VaSCL is proud to support our partner divisions in advancing the VDOE’s balanced assessment initiative and addressing learning gaps.

This year, Balanced Assessment Workgroups will continue creating high-quality test items and tasks while also supporting divisions in using assessment to drive instruction. Rooted in formative and summative practices, the workgroups will design unit-level assessment plans and share strategies to boost student learning. These plans will include ways to assess mastery at various levels of depth and complexity.

All experienced teachers are invited to join. If you’re new to the workgroup, please attend the virtual introduction on **September 21, 2025**.

**We’re also looking for group leaders—reach out if you're interested!**
